Emigrants began to arrive from the States, bound for the gold regions, on the 27th of May, 1850, and have continued to arrive and depart almost daily ever since. The following, who have passed on, paid their fare for a copy of our paper to be directed to their friends.

From all the emigrants we were not able to obtain one whole paper; they were all wet, damaged, or destroyed on the way. The waters on the east side of the mountains, were low early in the season.

G. S. L. City, May 27, 1850.

This is the first poetic offering we have received, and, for aught we know, friend B's. first attempt. Try again.
