B. A. C. NOTES

Last Thursday was the day set apart for the white washing of our "A" and the cleaning of the campus. All work was thoroughly done and both the "A" and campus look much better and fresher after the diligent efforts of the students. After the work was completed, the girls served a light luncheon and put all in shape for a matinee dance which was greatly enjoyed.

Friday night the Sophs and Juniors held a class party in the auditorium. The new feature of this party was the bidding of the boys for their partners. The evening was spent chiefly in dancing, with a short intermission when refreshments were served.
